

AND SO THEY SAY

“

”

SHARE A PIECE OF WISDOM A SENIOR IN
YOUR LIFE SAID #ANDSOTHEYSAYSG

What did grandpa think about love? How different was life under the Japanese Occupation? And what does a 95-year-old have to say about happiness? AND SO THEY SAY is an honest narrative on life constructed from interviews with 25 seniors, allowing an intimate glimpse into the legacy of Singapore's pioneer generation. Come sit in the company of wisdom.
